**5) What is PET Bounty & PET Bonus?**

PET Bounty contributes 50% to you your Monthly target Commitment Plan Selected. PET shall stake equal count of ES every month as per your stakings for that corresponding month for the First Accumulation Year.

PET Bonus on total ES staked of Accumulation Year gets released timely in **12** equal intervals if all the monthly target commitments are achieved every month.

PET Bounty & PET bonus will vary in case there is any default on achieving the Monthly Target Goals.

**6) What are the criteria to qualify for PET Bonus & PET bounty?**

The staker has the flexibility to stake within 30 days 10 hours till the next window opens. The staker will have to meet the Monthly Target commitment to receive the PET Bonus as well as the PET Bounty

**7) Do we have the option for Top up ES? What are the benefits of Top up?**

Yes, If the user stakes more than the monthly target commitment he/she shall receive 50% of the PET Bounty on the staking above his desired Monthly Target Commitment. **Example:** User has decided his limit of 5000 ES and he/she stakes 2000 ES + 2000 ES + 6000 ES in 3 installments within 30 Days 10 hours. The total ES staked in PET is 10000 ES which will shall imply that he/she has achieved his/her target for the month and he/she shall receive a PET Bounty of 5000 ES + 2500 ES.

**8) What is the minimum PET Target Commitment % in PET?**

The Passing PET target commitment will be minimum 50% of the Monthly target commitment of ES to qualify for PET Bonus. If the monthly target commitment is not achieved and PET target commitment is achieved then the user shall be provided with the PET Smart Contract Contribution but shall not be awarded the PET Bonus and those respective tokens shall be burned for the corresponding month. **Example:** If the monthly target of commitment is 10000 ES and the user stakes 5000ES that means he/she has achieved PET Target

Commitment by staking minimum 50%. He /She shall avail on PET Smart Contract Contribution of 5000ES but he/she shall qualify for the PET Bonus.

**9) What will happen if user defaults in any month?**

If the staker is unable to reach 50% of the monthly Target Commitment ES then he/she shall not qualify for PET Bounty nor shall he qualify for the PET bonus. The total staking ES count shall carry forward to the following month and a default shall be considered for that corresponding month.

**Example:** Staker defaults to achieve Monthly Target Commitment for 11 months then, he/she will not get 11 installments PET Bonus. He/She will receive PET bonus corresponding to 1 month on the 12<sup>th</sup> Month of 5th Annuity Year.

**10) Do we have the facility to pay all monthly target commitment in advance for 12 months?**

Yes, the staker has the ability to make the entire commitment of 12 months in a single transaction. He/She can avail this option in the first month only if he/she has not staked in that particular PET previously.
