

TimeAlly Super Goal Achiever Plan

Curtain Raiser Launch for Era Swap Community

Date: 23rd Oct' 19

TimeAlly Super Goal Achiever Plan for Era Swap Community

TimeAlly Super Goal Achiever Plan (TSGAP) is Decentralized Smart Contract based Systematic Investment Plan (SIP) that enable to safeguard your interest so that you can make the most of your golden years with financial independence

TSGAP is secured SIP (Systematic Investment Plan) since the future benefits of the Staker are stored safely in Smart Contract on Day 1 of beginning of annuity which is transparent & most secured system driven

The assets will be distributed at different interval time as per the Smart Contract logics. The withdrawal of eligible benefits is in total control of the Staker.

The entire staked ES is stored in a trustless smart contract system . This can't be double spend & moved out for any other purpose as this is completely managed by Blockchain based smart contract `.

Benefits TimeAlly Super Goal Achiever Plan

All you have to do is choose a plan & stake ES monthly and get monthly annuity returns for 9 years guaranteed through Decentralized Blockchain Smart Contract.

So now you can be financially independent while enjoying life with your loved ones.
